

DWI ARYA SAFRULLOH

Frontend Developer

0822-5800-1575 / dwiaryasfrllh@gmail.com / [LinkedIn](#)

Profile

Dedicated and detail-oriented Frontend Developer with experience building responsive, user-centric web applications. Proficient in translating UI/UX designs from Figma into clean and maintainable code. Skilled in modern web technologies including Next.JS, Nuxt.JS, Typescript, React.js, Vue.js, State management, Tailwind CSS, and Bootstrap, with a strong understanding of core web principles. Passionate about creating intuitive digital experiences that enhance usability and performance.

Work Experience

Frontend Developer at Nexmedis

2024 - 2025

- Built and maintained scalable medical web applications with modern UI frameworks.
- Collaborated closely with backend developers and designers to improve the user experience.
- Optimized frontend performance and accessibility across multiple browsers and devices.

Frontend Developer at Khaibar

2023 - 2024

- Led frontend development for a feature-rich e-commerce platform.
- Focused on improving page load speed and UI responsiveness.
- Integrated reusable component-based architecture for maintainability.
